

26th Annual Free Hospice of South Central Indiana Community Concert

The 26th Annual Free Hospice of South Central Indiana community concert will be held on Saturday, September 1st at the Columbus North High School Gym, 1400 25th Street, instead of outdoors at Mill Race Park.

The first 6,500 people — the gym's capacity, according to school officials — will be given tickets as they enter the gym. Doors will open at 5 p.m., with Blair Carman and the Belleview Boys taking the stage at 6:30 p.m. Three Dog Night is scheduled to perform at 8:30 p.m.

Coolers and lawn chairs will not be permitted at the concert. Smoking is not permitted on school property. Event parking will be designated at Columbus North High School, with overflow parking at Schmitt Elementary School and Northside Middle School. The Maple Street parking lot and Bull Dog Lane will be closed to thru-traffic. Tickets will only be distributed at the Bill Stearman entrance located on the north side of the gym across from the football field. All other gymnasium entrances will be closed. Tickets will be issued on a first-come first-serve basis to the first 6,500 people.

Raffle tickets, concert t-shirts and concessions will be sold at the concert. All proceeds will help provide care for Hospice patients and families in our 15-county service area.

Hospice leaders made the decision Wednesday morning after talking with National Weather Service forecasters in Indianapolis. Meteorologists have forecasted rain for much of the weekend in Columbus as a result of Hurricane Isaac.
